

Dankbrief

Deutsch-Russisches Forum e.V.

Thank you very much for everything you have done
and are doing for the sake of art
and Russia - Germany friendly relationship.

Thousands kilometers separate our countries,
but love to music and great wish to live in peace unite our people.
Our common work on the project of opera «The Marriage of Figaro»
by Wolfgang Amadeus Mozart has touched hearts of our audience .

The more we are together, the stronger we are.
We do not say «Farewell», we hope to see you soon.
